

Teeter Totter: Big bolt is out. Kylee Johnson found 1 part in the mulch. Bryan Brown had the rest. Will get it fixed.

Social Upcoming dates: Checking into renting out the Bixby High School swimming pool for a winter activity.

Need to check pricing to see how much it takes to retile and put new surface on the swimming pool.

HOA letters/dues have gone out.

Check with Nick, Power Lawn and Landscape, on seeding the front new sod down Mingo under the trees.

** He did get back with us and said we should have done it in the fall.
